Sophisticated Tease

Undress to Impress

5th December 2013

We are thrilled to showcase a selection of lingerie by our favourite designers and brands from Cheltenham, around the UK and Europe. Tonight we also showcase an exclusive collection of hats and headpieces by Cheltenham Milliner, Lisa von Hallwyl, created especially for this evening.

We hope you enjoy an evening of tantalizing entertainment and sophisticated tease as we showcase the vocal talents of Julez Hamilton and burlesque performer Missy Malone within the recently revamped surroundings of Revolution.
